Return Instructions

Step 1- Request a Return Authorization Number (RAN): Please call 626-279-2658 or email returns@lbclighting.com to request for a RAN. Once a RAN is issued, you will have **15 days to ship the items back to our warehouse** (address below). No credit will be issued for unauthorized returns.

Step 2- Fill out RAN form: Please fill out the bottom portion of this form, detach and tape to the box. Please make sure the RAN # is clearly marked on both the form and the box.

Step 3- Package the Item: All products must be packed in new, original and unmarked packaging including any accessories, hardware, manuals, documentation and registration that were originally included with the items. Missing parts/manuals may result in partial refund.

Step 4- Ship the Item: You are responsible for shipping the items back to us via whichever carrier you prefer (Fedex, UPS, USPS, etc.). For your protection, we recommend that you use a traceable and insurable form of mailing for shipment since we are not responsible for any items lost or damaged in transit. Please email us the tracking number for all return shipments to ensure a prompt refund.

Step 5- Get your Refund: Once we receive and inspect all items, you will be refunded on the original credit card used to place the order. You will receive an email confirmation. Please allow 1 or 2 billing cycles for the credit to be reflected on your statement. If you have any questions, please email customerservice@lbclighting.com or call 626-279-2658.
